are to crowded but

the restaurants she

doesn't know are

with few people

She thinks that people need to give reviews of restaurants for She sees that her to try new most of the places. people go to the same She thinks that the places time of preparation of some dishes need to be known She sees to many for her to plan her people in the schedule restaurants she always goes, so she can't have the perfect time to eat She thinks that and got to class restaurants need to have some recommendations for her to go to that places Thinks Sees Does Feels Pays the same amount of money and wastes her time when the Trying new restaurants are very crowded things is very difficult for She talks with her her friends of Eating the same going to the food each day same places is boring and needs to find new options She eats the same dish every day and doesn't try new things eventough She feels that she already knows many restaurants

the restaurant
